

SUNSET Point of Sale Downloads

You know the drill. You own and operate a culturally-forward establishment that caters comic books to a wide demographic of trendsetting customers who won't sit still and swallow the mass-marketed, focus-grouped-to-death drivel that some offshore car company and soap manufacturer sponsor. Your challenge is to prove to your customers that you maintain only the highest quality of inventory at your small business. Minotaur Press has gone full-grit in throat-punching black & white with its new offering: SUNSET. Times are tough, so why not make your life easier with these swanky
