Top Cow at London Super Comic Con 2013

Join Top Cow's Matt Hawkins, Ron Marz, David Hine, Marco Turini, and Tim Seeley at London Super Comic Con this February 23rd & 24th at the Excel Centre!

For panel and portfolio review information, please read on.

Saturday Panel:

20 Years of Top Cow

4:15pm - 5:15pm

Celebrate 20 years of Top Cow with writers, Ron Marz (Artifacts, Witchblade), David Hine (The Darkness) and Matt Hawkins (Think Tank, Aphrodite IX), who will reveal the remainder of Top Cow's 2013 plans. For aspiring writers, Top Cow's now annual Talent Hunt is quite possibly the only opportunity for unknown writers to get published at an established publisher today. Find out about the 2013 plans. The first 200 attendees will receive a special limited edition Aphrodite, Darkness and Witchblade mini-lithograph that all three writers will sign for FREE!

Sunday Portfolio Review:

3:00pm - 4:00pm

Portfolio reviews will take place at the Portfolio Review booth, not the Top Cow booth.

Besides the free mini-lithograph offered to the first 200 attendees at the Top Cow panel, which is picture below, Top Cow is also offering an exclusive Artifacts #25 London Super Comic Con cover, drawn by the new Artifacts artist, Marco Turini. Stop by the booth and pick up your copy, as well as saying Hi to the guys!
