4pm-7pm

2980 Treat Blvd.

Concord, CA 94518

Need more convincing to pick up your free copy of Aphrodite IX this May? Read on for the summary and art preview of the book!

Hundreds of years after a cataclysmic event scorched the surface, Earth and its inhabitants have been forever altered and a new landscape and political struggle has taken hold with three distinct factions fighting for control. Aphrodite IX is both anachronism and advanced technology in a world that she no longer recognizes. No aliens, just humans and their genetically and technologically altered descendants in a mixture of the best Sci-Fi and Fantasy has to offer!

For you fans who can't wait to see the book, check out the preview below:
