A new arc begins with A Voice in the Dark #3!

In part 1 of "The Killing Game," the second arc of artist/writer Larime Taylor's creator-owned coming-of-age murder masterpiece, heroine Zoey Aarons confesses to her diary (and us!) that she's fallen off the wagon - she's killed again! Grappling with the deadly consequences of her foray into radio, and the increase in her own murderous urges, Zoey tries to maintain her sanity, along with her grades.

Pick up the series that Bloody Disgusting calls "a visceral psychological thriller" today!
