Any of you Top Cow fans heading out to [Amazing Arizona Comic Con](#) ?

The Herd will meet you there!

Come join superstar artist and Top Cow founder Marc Silvestri and the Top Cow team at the Phoenix Convention Center on January 24-26! We'll be at Booth 215/314 all three days hocking our wares, including this convention exclusive print of Marc's Killjoy black and white cover for *Cyberforce #8*, which he'll be happy to sign for you! We'll be passing out signing tickets for Marc each day, so be sure to stop by early!

In addition, Marc will be doing a panel on his time at Image and Marvel, his work starting up Top Cow, and what he has planned for the future. Stop by Room 1 at 1 PM on Saturday to hear the master speak!

And while you're hitting up those panels, check out the world premiere of the soon-to-be hit documentary - "Image Revolution." Created by Patrick Meaney and Jordan Rennert, the film chronicles the founding of Image Comics and features all of the Image founders, including convention guests Marc, Rob Liefeld, and Robert Kirkman. It's playing in the Theater at 3 PM on Saturday...don't miss out!
